AQUASSURE ACCESSIBLE BATHTUBS NOW AVAILABLE THROUGH MEDICHAIR IN PETERBOROUGH ONTARIO

Aquassure Accessible Baths is very excited to announce that we have a new dealer – MEDIchair in Peterborough, Ontario. They will be carrying Aquassure Accessible Baths full line of wheelchair, walker and lift accessible bathtubs. Their unique product is like a walk-in tub but better.

“Aquassure has a great relationship with MEDIchair across Canada, so we always support locations taking a more active role in promoting the Aquassure product line. With MEDIchair’s full range of mobility aids and knowledgeable staff they are an excellent fit,” says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

“We are excited to be able to feature Aquassure's wheelchair accessible, deep-soak bathtub to meet the needs of both wheelchair and walker users. We especially like the thought and research that has gone into the Safety Plus system to maximize comfort, accessibility and independent home use for seniors and people with mobility challenges,” says Allison Rolph-Seiderer, owner of MEDIchair Peterborough.

MEDIchair provides an extensive selection of home medical equipment and supplies designed to enhance the quality of life for each of their customers. Whether you require assistance in seating and positioning, help with mobility in and out of your home, or just a solution to help make a “simple” task easier again, MEDIchair and their staff of home medical equipment specialists can help you select the products that will provide the optimum benefit and improve your independence and safety.

Aquassure Accessible Baths is a Kelowna, BC manufacturer of accessible bathtubs. They sell their patented sliding-door accessible baths to customers and care homes all over the US and Canada. They are growing rapidly and are actively expanding their US and Canadian distribution network with new dealers being added weekly.
