AQUASSURE ACCESSIBLE BATHTUBS NOW AVAILABLE AT RONA, PRINCE GEORGE!

Aquassure Accessible Baths is very excited to announce that we have a new dealer – RONA in Prince George. RONA – Capital Building Supplies Ltd. store has a floor model available for the customers; they provide tub installation assistance as well offer financing those who need it.

Unlike walk-in bathtubs, Aquassure's bathtubs are designed to be used by people with mobility challenged ranging from poor balance to those requiring wheelchairs and lifts. Their fully accessible, full-sized bathtubs and are easily retrofitted into existing bathtub enclosures.

"Many people have difficulty getting in and out of their bathtubs safely. We are excited that the accessibility experts at Rona will be able to help seniors and people with mobility challenges in the Prince George and surrounding areas understand our unique and elevated accessible bathtubs," says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

"When it comes to an innovative, efficient and versatile tub designed for independent living as well as retirement and resident care facilities, the Aquassure Accessible Bath is the clear choice. With options available to suit any budget, we look forward to installing many of these baths in the Prince George region." Wayne Beek - Project Manager, RONA Installations.

The RONA Prince George team recently celebrated their re-opening of their 12,500-square-foot store as Rona Prince George. RONA is the largest Canadian distributor and retailer of hardware, renovation and gardening products. RONA operates a network of nearly 700 corporate, franchise and affiliate stores of various sizes and formats. With close to 30,000 employees working under its family of banners in every region of Canada and more than 16 million square feet of retail space, the RONA store network generates over \$6 billion in annual retail sales.
