The Ideal Home Show will be held at the Langley Events Centre, 7888 - 200th Street. The show's hours are 5pm to 9pm on Friday, October 1st, 9:30am to 5:30pm on Saturday, October 2nd and 11am to 5pm on Sunday, October 3rd. Safe Spa Walk-In Tubs will be located in booth #24. Admission is \$4 and parking is free.

"Tim at Safe Spa Walk-in Tubs excels in customer service and helping their customers find the right solution for their needs. We are really happy that Tim and Anne will be representing Aquassure at the Langley show," says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

Unlike walk-in bathtubs, Aquassure baths are fully accessible from wheelchairs, walkers and lifts and are elevated to provide a therapeutic spa experience for people of all abilities. The bather is always fully supported and cannot fall in an Aquassure bathtub. The elevated bottom eliminates having to stand, and the need for a seat. The sliding door eliminates clearance issues and the 5' bathtubs are easily installed into existing bathtub enclosures.

Safe Spa Walk-In Tubs offer a wide range of products and services, specializing in walk in tubs and all your bathroom upgrade needs. They understand that it is very difficult for someone to live in any home if they do not have safe and convenient access to a bathroom. They service the Greater Vancouver area as well as the Lower Mainland including Vancouver, Burnaby, Coquitlam, Richmond, Delta, Surrey, Langley, White Rock, Abbotsford, Chilliwack, Port Moody, Maple Ridge, and Mission.

Aquassure Accessible Baths is a Kelowna manufacturer of accessible bathtubs. Their head offices are located at their production facility in Kelowna. They sell their patented sliding-door accessible baths to customers and distributors all over the US and Canada. They are growing rapidly and are aggressively expanding their US and Canadian distribution network with new dealers being added weekly.
