AQUASSURE ACCESSIBLE BATHTUBS NOW AVAILABLE THROUGH THE ACCESS STORE IN WINNIPEG

Aquassure Accessible Baths is very excited to announce that we have a new dealer – The Access Store in Winnipeg, Manitoba. They will be carrying Aquassure Accessible Baths full line of wheelchair, walker and lift accessible bathtubs.

“The Access Store is an excellent fit for our company. We both have the same goal of problem solving for our customers to make their lives easier, and more independent. Their knowledge and experience allows them to tailor home products to best meet the needs of their clients, and we are happy to be part of that solution,” says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

“I look forward to the opportunity of offering my new and existing customers such an excellent product that I know will enhance both their lives and independence,” says David Tweed, owner of The Access Store.

The Access Store’s mission is not only to provide customers with solutions but also to assist medical professionals, healthcare providers, focus groups and health care institutions the knowledge in order to improve the lifestyle of persons with disabilities living in our communities. They focus on providing expertise on accessibility that includes value added products and consultations based on Universal Design Principles and Barrier-Free Design Guidelines; as well as online sales of most healthcare products.

David Tweed, owner of The Access Store, is the only active Certified Access Consultant in Manitoba. He has an extensive background and firsthand experience on accessibility issues and home health products that include a certificate from The Canadian Institute for Barrier Free Design for successfully completing the Accessibility Audit Training Program. David has been living independently with a disability in his community for over 30 years and is involved with several community organizations that provide services to the disabled and seniors community for the City of Winnipeg. He is also one of the Board members of the Manitoba Wheelchair Sports Association. Knowing firsthand the products that he sells, David fully understands the needs of other consumers who are disabled.

Aquassure Accessible Baths is a Kelowna, BC manufacturer of accessible bathtubs. They sell their patented sliding-door accessible baths to individuals and care homes all over the US and Canada. They are growing rapidly and are actively expanding their US and Canadian distribution network with new dealers being added weekly.
