AQUASSURE ACCESSIBLE BATHTUBS NOW AVAILABLE AT CREATIVE MOBILITY IN KELOWNA AND PENTICTON!

Aquassure Accessible Baths is very excited to announce that we have a new dealer – Creative Mobility Products Inc. in Kelowna and Penticton.

“Many people have difficulty getting in and out of their bathtubs safely. We are excited that the accessibility experts at Creative Mobility will be able to help seniors and people with mobility challenges in the Okanagan area understand our unique and elevated accessible bathtubs,” says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

“We are excited to add Aquassure Bathtubs to our excellent line up of services and equipment to better serve our customers needs,” says Dan Laberge of Creative Mobility.

Unlike walk-in bathtubs, Aquassure baths are unique – they are fully accessible from wheelchairs, walkers and lifts to provide a therapeutic spa experience for people of all abilities. The bather is always fully supported and cannot fall in an Aquassure bath. The elevated bottom eliminates having to stand, and the need for a seat. The bather simply slides in to the bathtub.

Creative Mobility Products Inc. has been in business for fifteen years and specializes in mobility equipment, wheelchair seating and specialty equipment, electronics and environmental controls. They have well-experienced sales representatives, who make regular visits to facilities and client’s homes and provide equipment for evaluation and assessment purposes.

Aquassure Accessible Baths is a Kelowna manufacturer of accessible bathtubs. Their head offices are located at their production facility in the North end of Richter Street. They sell their patented sliding-door accessible baths to customers and distributors all over the US and Canada.
