ACCESSIBLE LIVING CONCEPTS IN OLYMPIA, WA FEATURING AQUASSURE'S
ACCESSIBLE BATHTUB IN THEIR SHOWROOM AND AT OLYMPIA MASTER BUILDERS
HOME & GARDEN SHOW SEPT 18-19

Aquassure Accessible Baths is excited to announce that Accessible Living Products, a dealer of Aquassure bathtubs in Olympia, WA, now has an Aquassure floor model tub in their showroom and they will be exhibiting at the Olympia Master Builders 2010 Big Home & Garden Show, on September 18 and 19.

The show's hours are 9am to 6pm on Saturday, September 18th and 10am to 5pm on Sunday, September 19th, with half price admission for all before 10 am Saturday and seniors half price all-day Sunday. Accessible Living Concepts will be found in booth 25, near the main entrance.

"Many people have difficulty getting in and out of their bathtubs safely. We are happy that the accessibility experts at Accessible Living Concepts will be able to help seniors and people with mobility challenges in the Olympia area understand our unique and elevated accessible bathtubs," says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

"We are excited to be able to feature Aquassure's wheelchair accessible, deep-soak bathtub to meet the needs of both wheelchair and walker users," says, Tim Dickey, owner of Accessible Living Concepts.

Unlike walk-in bathtubs, Aquassure baths are fully accessible from wheelchairs, walkers and lifts and are elevated to provide a therapeutic spa experience for people of all abilities. The bather is always fully supported and cannot fall in an Aquassure bathtub. The elevated bottom eliminates having to stand, and the need for a seat. The sliding door eliminates clearance issues and the 5' bathtubs are easily installed into existing bathtub enclosures.
