ECO BATH SOLUTIONS EXHIBITING AT THE NIAGARA LIFESTYLE FALL HOME SHOW SEPT 10-12 WITH INFORMATION ON AQUASSURE'S ACCESSIBLE TUBS!

Aquassure Accessible Baths is excited to announce Eco Bath Solutions, a new dealer of Aquassure bath tubs in St. Catharines, Ontario, will be exhibiting at the Annual Niagara Lifestyle Fall Home Show on September 10 to 12, 2010.

The Home Show will be held at Seymour Hannah Sportsplex, 240 St. Paul Street. W, St Catharines. The show's hours are 1pm to 5pm on Friday, September 10th, 10am to 5pm on Saturday, September 11th and Sunday, September 12th. Eco Bath Solutions will be found in booth #8. This is Niagara's largest fall home show event.

"Eco-Bath is ideally placed to sell and install Aquassure's bathtubs in Ontario. We are excited that Eco-Bath has chosen to include our accessible bathtubs as part of its product solutions for seniors and disabled people," says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

"Everyone at Eco Bath is excited to now be a part of the Aquassure Bath System Dealer network. We all feel this product can help the people in Niagara with their independent living objectives. This smart product will work extremely well with our acrylic wall systems giving our customers a beautiful yet functional and safe bathing area. We look forward to a productive relationship for years to come," says Keith Ireland, owner.

Unlike walk-in bathtubs, Aquassure baths are fully accessible from wheelchairs, walkers and lifts and are elevated to provide a therapeutic spa experience for people of all abilities. The bather is always fully supported and cannot fall in an Aquassure bathtub. The elevated bottom eliminates having to stand, and the need for a seat. The sliding door eliminates clearance issues and the 5' bathtubs are easily installed into existing bathtub enclosures.

Eco Bath serves the entire Niagara Region in Canada and Western New York State. As bathroom renovation specialists, they have a wide variety of bath solutions. Their special needs division offers cost effective products and adaptations such as wheelchair accessible/walk in shower conversions, as well as accessible bath tubs for those facing physical challenges.

Aquassure Accessible Baths is a Kelowna manufacturer of accessible bathtubs. Their head offices are located at their production facility in the North end of Richter Street. They sell their patented sliding-door accessible baths to customers and distributors all over the US and Canada. They are growing rapidly and are aggressively expanding their US and Canadian distribution network with new dealers being added weekly.
