**LUXURY BATH SYSTEMS EXHIBITING AT THE LIFESCAPE COMMUNITY SERVICES' SENIOR EXPO
SEPTEMBER 16-17, 2010 WITH INFORMATION ON AQUASSURE'S ACCESSIBLE TUBS!**

Aquassure Accessible Baths is excited to announce Luxury Bath Systems, a dealer of Aquassure bathtubs in Love's Park, Illinois, will be exhibiting at the Lifescape Community Services' Senior Expo on September 16 and 17, 2010.

The Home Show will be held at the Indoor Sports Center, 8800 Riverside Blvd., Loves Park. The show's hours are 9am to 3 pm on Thursday, September 16th and Friday, September 17th. Luxury Bath Systems will be found in a large booth on your right as you come through the main entrance. This free event features more than 130 exhibitors all targeting the older adult as well as music and games, cooking demonstrations and information ranging from home improvement to healthcare.

"We are happy that we have such an experienced professional on our team and hope that seniors and people with disabilities take time to check out Aquassure's accessible bathtubs," says Matthew Longman, Chief Executive Officer of Aquassure Accessible Baths.

"Aquassure's bathtubs are unique with a mix of function and style to meet the needs of the aging and handicapped population. Visit us for free information on the slide-in bathtubs," says Robert St. Clair, owner of Luxury Bath Systems.

Unlike walk-in bathtubs, Aquassure baths are fully accessible from wheelchairs, walkers and lifts and are elevated to provide a therapeutic spa experience for people of all abilities. The bather is always fully supported and cannot fall in an Aquassure bathtub. The elevated bottom eliminates having to stand, and the need for a seat. The sliding door eliminates clearance issues and the 5' bathtubs are easily installed into existing bathtub enclosures.

Luxury Bath Systems provides a range of bath products and installation services. With many years of experience, Luxury Bath Systems is ideally suited to provide the best bathing solutions for Illinois' seniors and people with mobility challenges. Luxury Bath Systems services Northern Illinois and Southern Wisconsin and is located at 5436 N Second St, Loves Park IL, 61111.

Aquassure Accessible Baths is a Kelowna manufacturer of accessible bathtubs. They sell their patented sliding-door accessible baths to customers and distributors all over the US and Canada. They are growing rapidly and are aggressively expanding their US and Canadian distribution network with new dealers being added weekly.
