

Deck Mount Huntington Brass Modern Roman Faucet for Bathtub

The Huntington Brass 5 Piece Fast Fill Roman Tub Faucet with pull out multi-function hand shower is perfect for your walk in bathtub or any bathtub where fill time matters. The fill time for this fast fill faucet will vary based on house water pressure, bathers, and bathtub size. At 18gpm average fill time for an Ella Elite Dual Massage Walk in Tub unoccupied is about 9 minutes. If desired the pull out hand shower can be used for shower while the bathtub is filled to stay warm.

The Huntington Brass Faucet comes with a designer spout, a pull out hand shower mixer, a spout and hand shower diverter, and a hot and cold diverter. The faucet has an 18gpm average fill time which is important when it comes to walk in bathtubs as the bather needs to wait for the walk in tub to fill whilst inside.
