Hydro Massage + Air Massage (Dual)

Package Jetting Information:

1. Hydro Massage System 5AMP 600W

- Refer to technical drawing for jet count
- Hydro Massage Air Flow Intensity Control
- In-line water heater 5.5AMP 650W
- Ozone Sterilization

2. Air Massage System 4.5AMP 486W

- Refer to technical drawing for jet count
- 3 Speed Pump
- Autopurge (Activates 20 minutes after pump shutdown)

Electrical Requirements:

One (1) dedicated 120V electrical line with a 20AMP GFCI standard three prong outlet is required

Hydro Massage (Seat Area) + Air Massage + Hydro Massage (Foot Area)

Package Jetting Information:

1. Hydro Foot Massage System 5AMP 600W

- Refer to technical drawing for jet count
- Hydro Massage Air Flow Intensity Control
- In-line water heater 5.5AMP 650W
- Ozone Sterilization

2. Air Massage System 4.5AMP 486W

- Refer to technical drawing for jet count
- 3 Speed Pump
- Autopurge (Activates 20 minutes after pump shutdown)

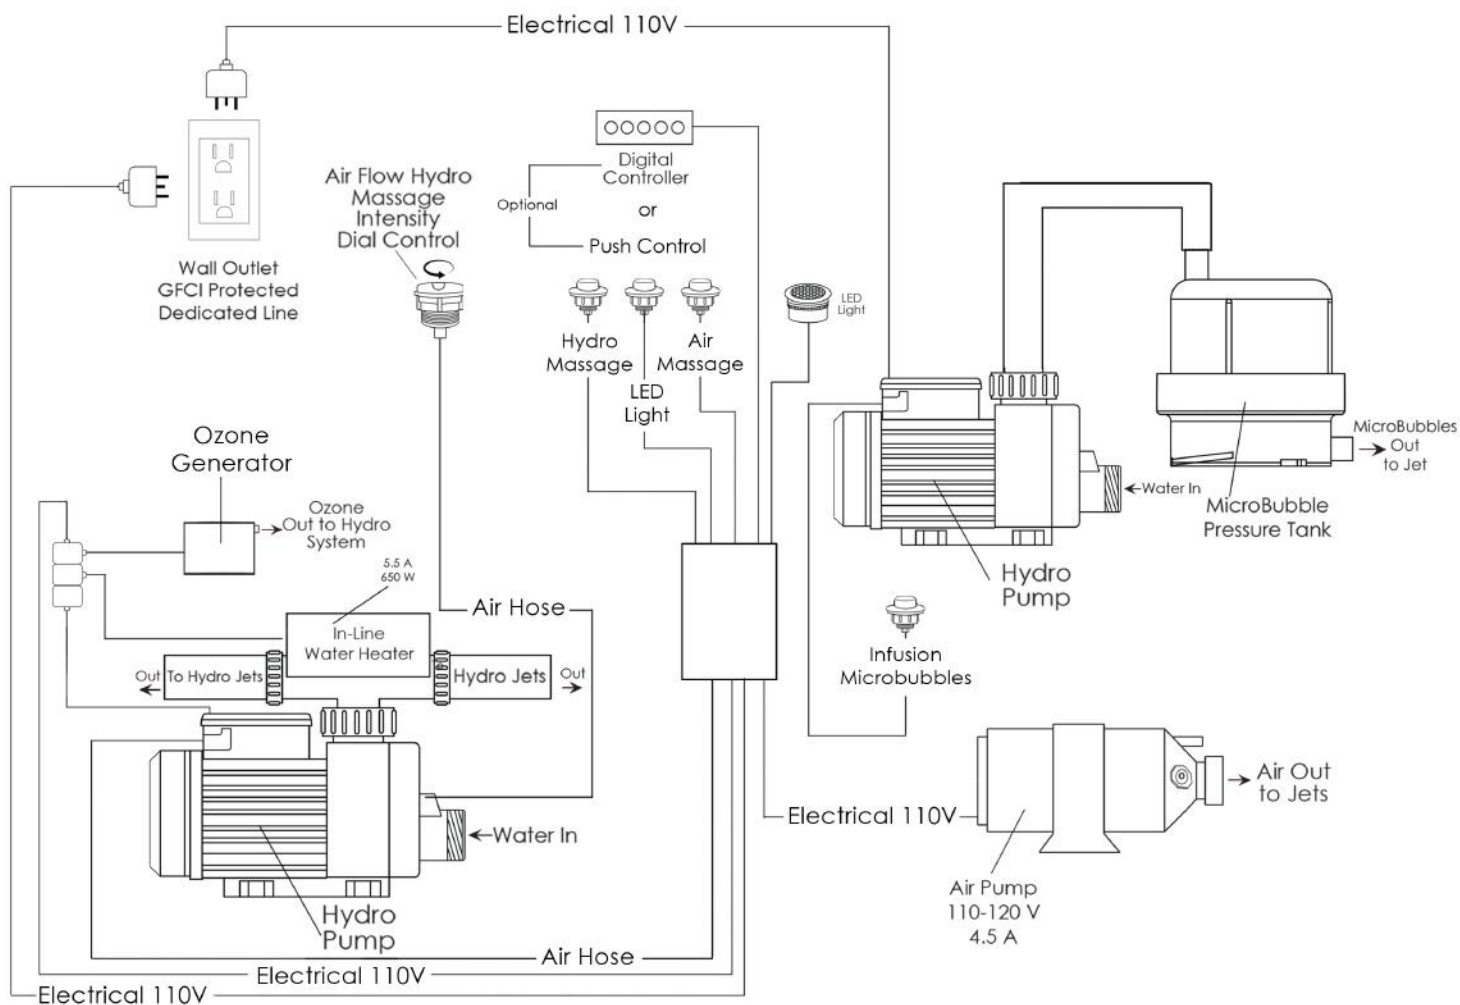

3. Hydro Massage System 5AMP 600W

- Refer to technical drawing for jet count
- Hydro Massage Air Flow Intensity Control

Electrical Requirements:

Two (2) dedicated 120V electrical lines with 20AMP GFCI standard three prong outlets are required

Hydro Massage + Air Massage + Infusion Microbubble Therapy

Package Jetting Information:

1. Hydro Massage System 5AMP 600W

- Refer to technical drawing for jet count
- Hydro Massage Air Flow Intensity Control
- In-line water heater 5.5AMP 650W
- Ozone Sterilization

2. Air Massage System 4.5AMP 486W

- Refer to technical drawing for jet count
- 3 Speed Pump
- Autopurge (Activates 20 minutes after pump shutdown)

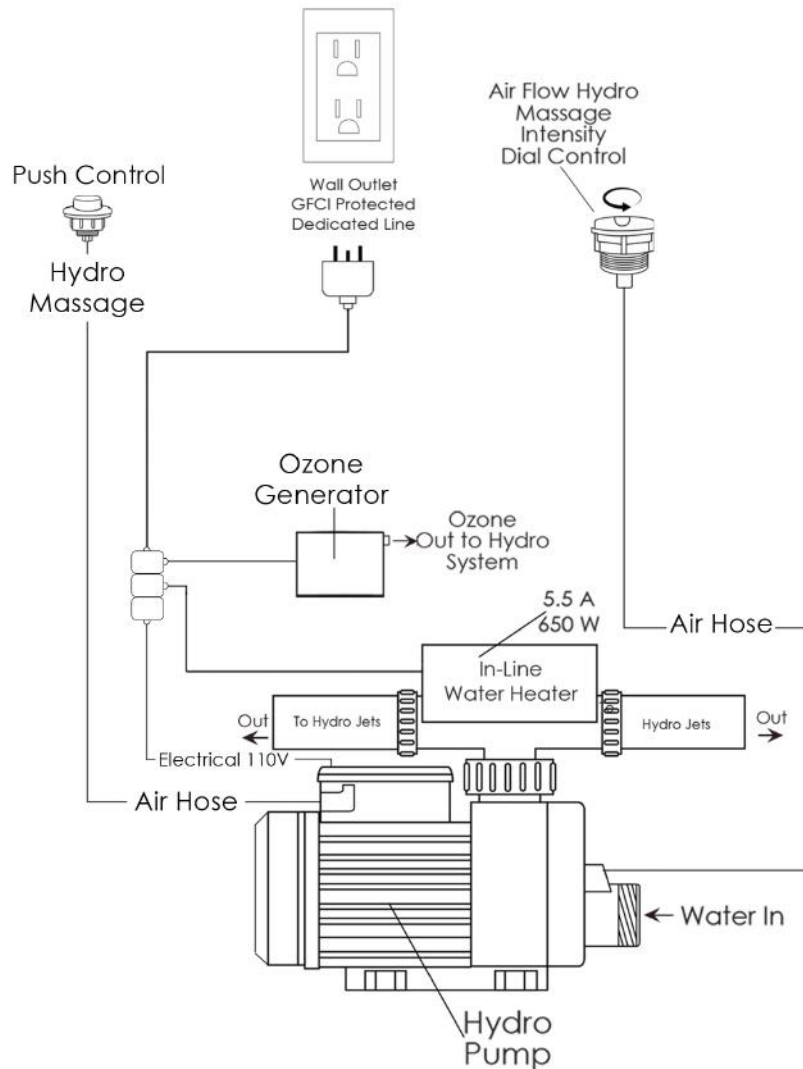

3. MicroBubble Therapy System 10AMP 1200W

- 1HP Pump
- Pressure Vessel
- Air Switch and one (1) jet
- Agitator Valve

Electrical Requirements:

Two (2) dedicated 120V electrical lines with 20AMP GFCI standard three prong outlets are required

Hydro Massage

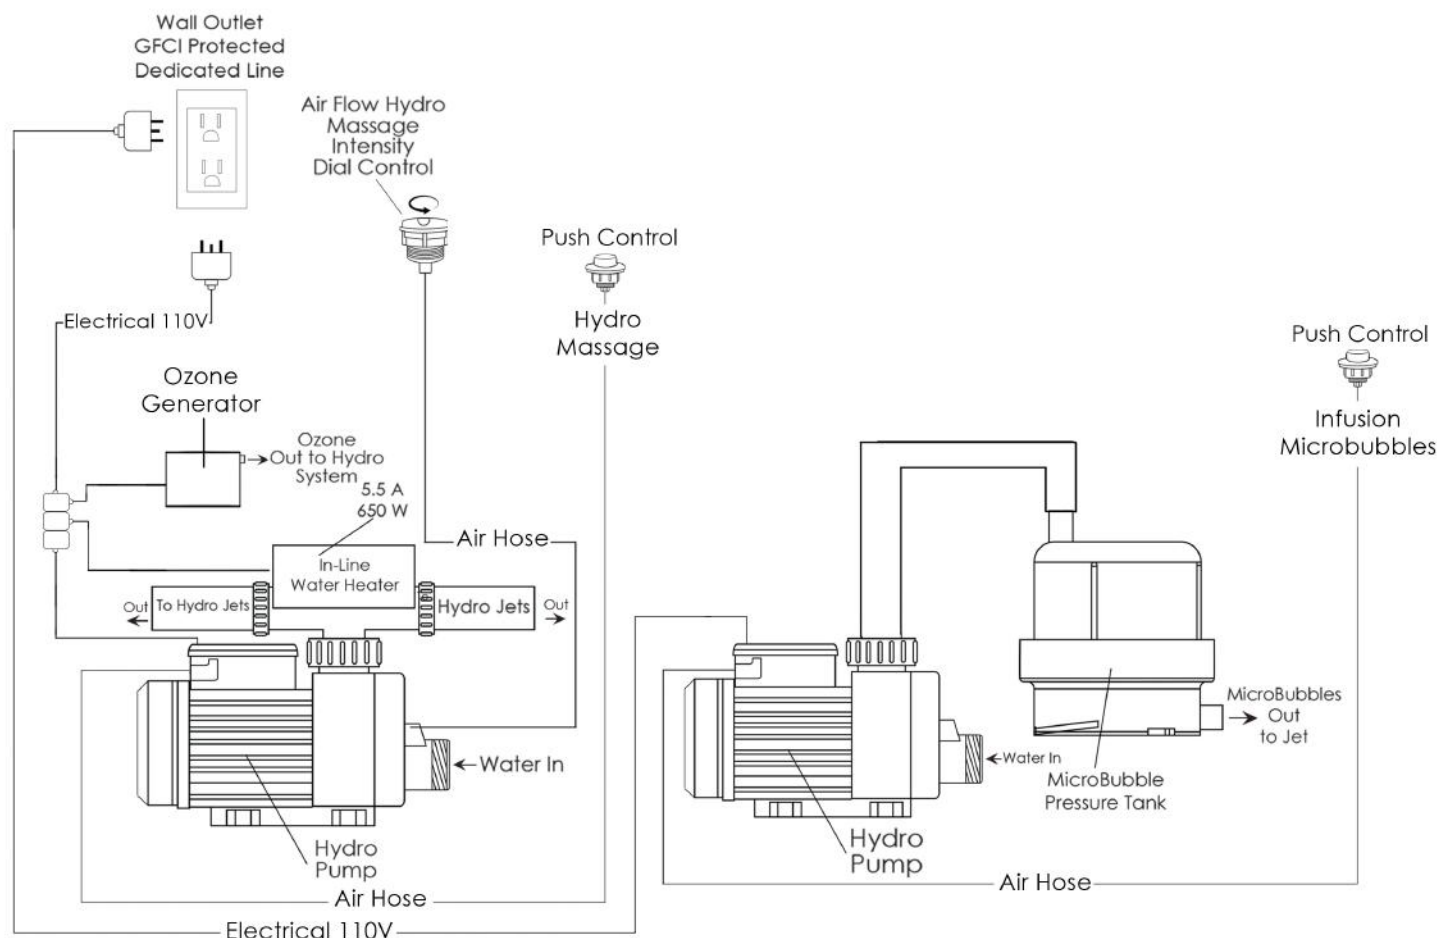

Package Jetting Information:

1. **Hydro Foot Massage System** 5AMP 600W
 - Refer to technical drawing for jet count
 - Hydro Massage Air Flow Intensity Control
 - In-line water heater 5.5AMP 650W
 - Ozone Sterilization

Electrical Requirements:

One (1) dedicated 120V electrical line with a 20AMP GFCI standard three prong outlet is required

Hydro Massage + Infusion Microbubble Therapy

Package Jetting Information:

1. Hydro Massage System 5AMP 600W

- Refer to technical drawing for jet count
- Hydro Massage Air Flow Intensity Control
- In-line water heater 5.5AMP 650W
- Ozone Sterilization

2. MicroBubble Therapy System 10AMP 1200W

- 1HP Pump
- Pressure Vessel
- Air Switch and one (1) jet
- Agitator Valve

Electrical Requirements:

One (1) dedicated 120V electrical line with a 20AMP GFCI standard three prong outlet is required

Air Massage

Package Jetting Information:

1. Air Massage System 4.5AMP 486W

- Refer to technical drawing for jet count
- 3 Speed Pump
- Autopurge (Activates 20 minutes after pump shutdown)

Warranty Information:

Huntington Brass Faucets and parts are guaranteed to be free from defects in material & workmanship, leakage and drip-free during the period of normal use to the original consumer / purchaser (for residential home use) as long as the original purchaser owns their home. All "washerless" cartridges carry a 10 year limited lifetime warranty, and all "ceramic disk" cartridges carry a limited lifetime warranty. All other purchasers (including purchasers for industrial, commercial, and business related use) are warranted for a period of 5 years from the original date of purchase. A warranty period of 5 years is extended for all shower heads. The finish warranty for faucets is as follows: All plated finishes are guaranteed for as long as the original homeowner owns their home. The use of chemical cleaners, abrasive cleansers, cloths or sponges, acids, polishes or strippers, or any abnormal abuse of the product will void this warranty.

The Following applies to ALL WARRANTIES:

Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to Huntington Brass for all warranty claims. Huntington Brass will replace, FREE OF CHARGE, during the "warranty period," any part which has proven defective in material and /or workmanship under the conditions of normal use. Replacement of parts can be obtained from your local dealer or by writing our corporate address listed below together with a copy of the original receipt. ALL TRANSPORTATION CHARGES will be PREPAID. This warranty is extensive in that it covers replacement of defective parts and finishes only. LABOR CHARGES AND/OR DAMAGES INCURRED DURING INSTALLATION, REPAIR OR REPLACEMENT CHARGES, ARE EXCLUDED FROM THIS WARRANTY. THE USE OF BATHROOM CLEANERS, TILE CLEANERS, AND /OR ANY ABRASIVE MATERIALS, UNAPPROVED CHEMICALS FOR CLEANING PURPOSES WILL VOID THIS WARRANTY. Huntington Brass will not be responsible for any indirect, incidental or consequential damages, losses, injury or costs of any nature relating to the product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. To make a warranty claim and request replacement parts, simply write to our corporate office on the address listed below.

RGA- Returns Goods Authorizations:

No returns will be accepted without a Return Goods Authorization (RGA) number. To receive an RGA number, you must provide the item number, quantity of items being returned, and a detailed reason for the return. The RGA number must appear on the outside of each carton being returned, for verification of receipt. Authorized returns may be subject to a minimum of 20% handling / restocking surcharge depending on the condition of the returned products, and for what reason they are being returned. ALL PRODUCTS MUST BE "DOUBLE CARTONED", PACKAGED PROPERLY, AND SHIPPED IN APPROVED SHIPPING CARTONS TO AVOID SHIPPING DAMAGES. Products returned in un-sellable condition or without original packaging will not be credited. Defective product(s) will be either repaired or replaced free of charge per our warranty conditions. No returns will be accepted for all special finish items unless defective. No returns will be accepted for discontinued items.

Other Warranty Conditions:

The Huntington Brass warranty does not cover product failure caused by abusive treatment, misuse, or damage due to handling or faulty installations. The warranty does not cover shipping cost, labor cost, or any other charge for such items as installation or replacement of any faucet, vanity, countertop, vitreous china component, and other component parts, or any other expense or loss.
